

latest innovations

Cascade Complete Pacs™ give consumers the power to say goodbye to pre-washing and pre-soaking by optimizing the dishwashing cycle to deliver consistently clean dishes. Each powerful pac combines the best of powder and gel to conquer tough food cleaning and greasy messes.

The All-in-One cleaning system fights through layers of residue to leave nothing behind but shine:

- Pre-treating power removes tough foods.
- Food dissolving power breaks down and dissolves food particles.
- Stain-fighting power helps remove challenging stains.
- ShineShield® formula for a beautiful shine.
- Rinse Aid Power to help prevent spots and film.
- The effectiveness of this revolutionary dishwashing product has earned Cascade Complete Pacs accolades from respected consumer review websites.

About Cascade Complete Pacs Technology:

- Each powerful pac combines the best of dishwashing powder and gel to clean tough foods and greasy messes.
- The fast-acting pacs dissolve and quickly help to make the most of the dishwashing cycle.
- Pre treating power easily rinses away baked-on messes.
- Grease fighters remove grease and help keep it from sticking to dishes and plasticware such as spatulas, mixing bowls and storage containers.
- Rinse Aid Power helps prevent spots and film.

Availability:

Cascade Complete Pacs are available now in Fresh and Lemon Burst scents in assorted sizes at mass merchandise, grocery and drugstores across the United States.
